Exhibit

P-6

PLAINTIFF'S SECOND AMENDED ORIGINAL PETITION

COMES NOW, Express H2O Pipeline & ROW, LLC ("Express H2O"), Plaintiff, complaining of Westlake Chemical OPCO, LP ("Westlake"), and for cause of action would show the Court the following:

DISCOVERY PLAN

Plaintiff designates this matter for Discovery Plan Level 3 pursuant to Rule 190.4 of the *Texas Rules of Civil Procedure*.

PARTIES

Express H2O is a Texas Limited Liability Company with its principal place of business located at 410 Spyglass Road, McQueeney, Texas 78123. Express H2O owns real property interests which are subject to suit which are located in multiple Texas counties, including Angelina County.

Defendant, Westlake is a limited partnership doing business in Texas. Defendant, Westlake has principal office and principal place of business in Texas at 2801 Post Oak Blvd, Suite 600, Houston, Texas 77056. Defendant has previously made an appearance in this matter.

JURISDICTION AND VENUE

This Court has jurisdiction over this matter, as the parties are either (1) a resident of Texas or (2) doing business in the State of Texas and the damages sought are within the jurisdictional limits of the Court.

Venue is proper in Angelina County, Texas, pursuant to *Texas Civil Practice & Remedies Code* Section 15.002 because all or a substantial part of the events or omissions giving rise to Plaintiffs' causes of action against Defendant occurred in Angelina County, Texas. Moreover, real property interests subject to this suit are located in Angelina County, Texas.

Pursuant to Rule 47 of the *Texas Rules of Civil Procedure*, Plaintiff seeks monetary relief of over \$1, 000, 000.00, excluding interest, statutory or punitive damages and penalties, and attorney's fees and costs, and non-monetary relief.

FACTUAL BACKGROUND

Between 1907 and 1925, multiple landowners across East Texas, including Angelina and Nacogdoches Counties, conveyed exclusive pipeline rights for 67 miles of an unlimited number of lines, via easements/access agreements across their properties to Gulf Pipeline Company ("Gulf"), and its successors and assigns. The specific grants of such rights collectively included the following rights to have and to hold until "Gulf Pipeline Company, its successors and assigns, as long as the same shall be useful for the purposes of and desired..."¹

1. The right to construct, maintain, operate pipelines, with the conveyance expressly noting grants for "as many" ... "additional pipelines over and over, through and upon same premises,"

¹ See, e.g., 1907 to 1925 Gulf Easements granting exclusive pipeline rights to Gulf:

<https://nacogdoches.tx.publicsearch.us/doc/20962180>
<https://nacogdoches.tx.publicsearch.us/doc/20987303>

2. The right of ingress and egress to and from said tract of land for the purpose of “laying, maintaining, and restoring of said additional pipelines and for removing of same when desired...”
3. The right to “do whatever may be requisite for their construction, or for the enjoyment the right herein granted”
4. The right to convey “oil, gas, water, steam, or any other material or substance which can be conveyed through a pipeline.”
5. The right of “renewing” and “changing size of” pipelines in conjunction with the grant that Gulf, its successors and assigns “shall have the right to do whatever may be requisite for the enjoyment of the rights herein granted.”

In August of 2017, Black Duck Properties, LLC., (Black Duck) purchased the pipeline and all relevant easements and right of ways from Express Gas Pipeline, LP, Gulf’s successor in interest. On August 15, 2017, the conveying deed was filed in County Clerk Records of Nacogdoches County, Texas.² Black Duck later transferred such interests to KrisJenn Ranch LLC Series Pipeline ROW, which subsequently conveyed the interests to Express H2O on February 22, 2023.

In April of 2023, John Terrell, an agent acting on behalf of multiple gas producers, approached Larry Wright, the founder and manager of Express H2O, with an interest in purchasing the H2O Express Pipeline. Before committing to a sale discussion, Mr. Wright retained Roger Kirkland of Onward to assist in clarifying any issues along the Express H2O right-of-way. Mr. Terrell’s interest ended two weeks later after Mr. Wright advised him of Mr. Kirkland’s report of Westlake’s trespass and interference with the Express H2O right-of-way. More specifically, Mr. Kirkland advised that while researching Express H2O’s easements in Angelina County, he learned

² See Exhibit 1 of Exhibit A, Affidavit of Larry Wright, attached hereto and incorporated herein.

from Angelina County landowner Perry Don Henson, Jr., that portions of Express H2O's pipeline that originally traversed his property had been removed from Express H2O's easement. Mr. Kirkland further advised that Westlake owned and operated a pipeline and multiple right-of-ways across parcels occupying the same right-of-ways owned by Express H2O on such parcels, including areas crossing Angelina County, which includes the property currently owned by Perry Don Henson, Jr., and Alazan Bayou WMA (located in Nacogdoches County), which is operated by Texas Parks & Wildlife Department.³ Mr. Wright advised Mr. Terrell of the issues, and that they had to be resolved before Express H2O could entertain further discussions regarding a sale.

In July of 2023, Larry Wright contacted David Williams, a pipeline coordinator for Westlake, and discussed the situation with him. As part of this conversation, Mr. Wright advised him of his concern regarding the survey noted as "Exhibit B" attached Westlake's recorded easement reflecting that the Express H2O (formerly Gulf) line had been abandoned, which made no sense given that at all relevant times (1) there was plenty of public notice for the original surveyors to have known the Gulf pipeline was not an abandoned pipeline, (2) Texas Parks and Wildlife acquired Alazan Bayou WMA with exceptions to title showing the presence of the easement now owned by H2O Express, and (3) at all relevant times Express H2O's Pipeline interests still remained actively permitted with the Texas Railroad Commission. Further, Mr. Kirkland of Onward reported to Mr. Wright that a landowner along the easement advised that Westlake was not only using Express H2O's right-of-way, but also that Westlake and/or TPWD removed sections of Express H2O's pipeline. Upon Mr. Wright referencing potential litigation, Mr. Williams exclaimed, "Lordy, Lordy, if that is true, it will be time for me to retire."

³ See Exhibit 2 [TPWD to Westlake Easement filed on 11.3.2017] of Exhibit A.

Later, on two separate occasions in August of 2023, Mr. Wright spoke with Daniel Mangum, an agent of Buckeye Development & Logistics LLC. (“Buckeye”), the company that operates Westlake’s pipeline on behalf of Westlake. On the first call, Mr. Wright went into extended detail about the trespass and how Express H2O still owned that easement, noting that the first original but lapsed Mustang Easement was described as a miscellaneous easement versus a pipeline easement. Mr. Wright made his thoughts very clear that titling the instrument as “miscellaneous” created an inadequate reference in the Nacogdoches County Clerk Record, which is a fact backed up by Express H2O’s own title examiners. While Mr. Mangum did claim he had seen miscellaneous easements used before, Mr. Wright replied that miscellaneous easements are used for utility or road easements, not pipeline easements. On the second phone call, approximately a week later, Mr. Mangum discussed a proposal to solve the problem and agreed that purchasing was a good idea and would recommend it Westlake, agreeing the situation could be resolved and the possibility of mediation. After several email attempts to follow up, Mr. Williams simply referred Mr. Wright to another agent for Westlake and then later such agent referred Mr. Wright to legal counsel.

Given that Express H2O’s independent research showed that Texas Parks and Wildlife Department (TPWD) acquired Alazan Bayou WMA with exceptions to title showing the presence of the H2O Express easement, Plaintiff suspected that an open records request would uncover additional information, and more importantly, exactly where from and why Westlake’s easement would have included a survey incorrectly showing the Gulf lines as abandoned, which appears to have been generated for Mustang Pipeline and attached to a lapsed easement well over 20 years before TPWD and Westlake’s unlawful attempt to transfer property interests.

Of particular note, Express H2O and its counsel learned of the following:

- a. On 1.17.17, Dennis Gissell, of TPWD emailed to himself Easement Exhibits A and B, which do not include the 1996 Mustang Exhibit. (Showing Lines Marked Abandoned.)⁴
- b. On 1.17.17 [only seconds later] Dennis Gissell emailed himself the same Easement Exhibits A and B, which do not include the 1996 Mustang Exhibit.⁵
- c. Only a day later on 1.18.17, Dennis Gissell emails Sweeney of Texas Parks now enclosing a new Exhibit, the 1996 Mustang Exhibit, noting it as the "new Exhibit B."⁶

There is no explanation provided as to why Mr. Gissell switched out Exhibit B to a survey that inaccurately shows Express H2O's line as abandoned. Such survey appears to have replaced Westlake's original Exhibit B during the drafting process and became of record upon the filing of TPWD and Westlake's unlawful attempt to transfer property interests on 11.3.2017, which is over 2.5 months following Black Duck's recording of the conveyance of the Gulf pipeline with the Nacogdoches County Clerk.

.....

- d. 9.7.23 to 9.12.23 Email String⁷: This email is an email forward from Lowell Sykes of Larry Wright's 9.7.23 email where Mr. Sykes notes: "I'd like to address the statements that Mr. Wright makes below." "we are still investigating this issue and we certainly have not assigned blame." Mr. Gissell later notes internally to TPWD on the string that he is not talking to either party without guidance from legal.
- e. 9.8.23 to 9.12.23 Email String⁸ This string begins as a forward of Larry Wright's 9.8.23 Email to Dennis Gissell. Of particular note is the following commentary:
 - 1. 9.11.23 Stephen Lange, Regional Director of Wildlife Division states, "I don't think we ever denied the existence of a pipeline or easement, but their [H2O's] ownership history far supersedes TPWD ownership."
 - 2. 9.12.2023 David Stan, TPWD Project Manager, notes "Dennis [Gissell] and I researched this back to the early 1900's in mid-July...." "It is a mess to say the least. TPWD inherited the mess..."

⁴ See Exhibit 3 attached to Exhibit A.

⁵ See Exhibit 4 attached to Exhibit A.

⁶ See Exhibit 5 attached to Exhibit A.

⁷ See Exhibit 6 attached to Exhibit A.

⁸ See Exhibit 7 attached to Exhibit A.

During his independent investigation, Mr. Wright spoke with Dennis Gissell sometime in the first week of September of 2023. However, Mr. Gissell did not disclose to Mr. Wright (1) what appears now to be his curious role in providing an incorrect survey as an attachment to the easement between Westlake and TPWD or (2) why Westlake would agree to using such survey as an exhibit to the easement document without objection given the agreement of record between Westlake and TPWD includes an acknowledgement that Westlake is "not relying upon any representation, warranty, statement or other assertion of grantor" [TPWD] and advises Westlake, as the grantee, to examine land records and perform its own title search.⁹

Currently, the agreement between TPWD and Westlake terminates on December 31, 2027, as such agreement does not confer any perpetual rights; however, decades before the execution of the TPWD/Westlake agreement TPWD's predecessor in interest granted perpetual, unlimited, exclusive, and assignable pipeline rights to Gulf, which Express H2O later acquired. Given either the gross error or intentional act giving rise to the attempted transfer of Express H2O's exclusive pipeline rights, which were of record decades before any purported conveyances by landowner following the Gulf conveyances, including the lease agreement between TPWD and Westlake (and its predecessors in interest), any agreements procured following the Gulf transfers must be void. Indeed, in said attempted lease interest transfer both TPWD and Westlake agreed and acknowledged that "the use of the term 'grant' in no way implies that the easement granted herein is free of liens, encumbrances, and/or prior rights."¹⁰

INJUNCTIVE RELIEF

⁹ See Exhibit 2 attached to Exhibit A.

¹⁰ See *id.*, Section 1.03 [pp. 2].

Plaintiff incorporates all allegations made in this Petition into this section by reference

Defendant has been advised of its interference, yet it continues to interfere with and deny Plaintiff full use and enjoyment of Plaintiff's exclusive easement rights. Unless restrained by this Court from doing so, and because future damages resulting therefrom cannot be ascertained, Plaintiff will suffer irreparable harm for which there is no adequate remedy at law. Furthermore, given that such acts which give rise to Plaintiff's causes of action set forth below are prejudicial to Plaintiff and in violation of its exclusive easement rights, Plaintiff is entitled to a writ of injunction under the principles of equity, as irreparable injury to real or personal property is threatened, irrespective of any remedy at law. In that regard, Plaintiff requests the Court to immediately enjoin Westlake from (1) continued operation of its pipeline and (2) agreeing with, or agreeing to renew any agreement with TPWD, which would be violative of Plaintiff's rights easements rights, which are the subject of this litigation.

CAUSE OF ACTION: DECLARATORY RELIEF

Plaintiff incorporates all allegations made in this Petition into this section by reference.

Plaintiff seeks judicial determination of the rights of the respective parties as they relate to their respective easements. More specifically, Plaintiff seeks for this Court to declare (1) the grants from the servient estate holders' predecessors in interest conveyed exclusive pipeline rights to Express H2O's predecessor in interest within the applicable easements and/or rights-of-ways, (2) valid and active all Express H2O's rights as they relate to any purported easements, leases, and/or right-of-ways on Express H2O's line, despite any trespass or interference by Defendant, (3) declare void any alleged rights exercised by Westlake in interference of Express H2O's exclusive pipeline

rights arising from the above noted void conveyances¹¹ and (4) declare void any transfers of pipeline rights within Express H2O's easements or rights that otherwise interfere with Express H2O's exclusive pipelines rights.¹²

Furthermore, given that such acts which give rise to this cause of action are prejudicial to Plaintiff and in violation of its exclusive easement rights, Plaintiff is entitled to a writ of injunction under the principles of equity, as irreparable injury to real or personal property is threatened, irrespective of any remedy at law. In that regard, Plaintiff requests the Court to immediately enjoin Westlake from (1) continued operation of its pipeline and (2) agreeing with, or agreeing to renew any agreement with TPWD, which would be violative of Plaintiff's easements rights, which are the subject of this litigation.

CAUSE OF ACTION: TRESPASS

Plaintiff incorporates all allegations made in this Petition into this section by reference.

Plaintiff brings a cause of action against Defendant for trespass alleging that Defendant and/or its predecessor in interest entered and/or caused the entry in the right of way and interference with the property rights of Plaintiff without consent or authorization and in some instances, removed Express H2O's pipeline.

Furthermore, given that such acts which give rise to this cause of action are prejudicial to Plaintiff and in violation of its exclusive easement rights, Plaintiff is entitled to a writ of injunction under the principles of equity, as irreparable injury to real or personal property is threatened, irrespective of any remedy at law. In that regard, Plaintiff requests the Court to immediately enjoin Westlake from (1) continued operation of its pipeline and (2) agreeing with, or agreeing to renew

¹¹ See, e.g., Exhibit B, void TPWD lease and void conveyances to Mustang.

¹² See, e.g., Exhibit C, Gulf Easements Granting Exclusive Pipeline Interests.

any agreement with TPWD, which would be violative of Plaintiff's rights easements rights, which are the subject of this litigation.

CAUSE OF ACTION: CONVERSION

Plaintiff incorporates all allegations made in this Petition into this section by reference.

Further, and in the alternative, Defendant, without authorization, by the tortious removal, of certain portions of Express H2O's pipeline, wrongfully assumed and exercised of dominion and control over the personal property (the pipe) of Plaintiff to the exclusion of, or inconsistent with, the Plaintiff's rights as owner.

DAMAGES FOR INTENTIONAL TORTS OF TRESSPASS AND CONVERSION

Plaintiff incorporates all allegations made in this Petition into this section by reference.

Plaintiff seeks to recover its actual damages for Defendant's trespass and conversion, including damages to Plaintiff's real property interests and the value of Plaintiff's property that Defendant removed and converted.

In trespassing on Plaintiff's right of way and/or converting Plaintiff's property, Defendant acted with malice and/or gross negligence. Therefore, Plaintiff is entitled to recover exemplary/punitive damages.

CAUSE OF ACTION: TORTIOUS INTERFERENCE

Plaintiff incorporates all allegations made in this Petition into this section by reference.

Plaintiff brings a cause of action for tortious interference with an existing contract as: 1) Plaintiff is a party to multiple existing contract(s)[easements] subject to interference; 2) Westlake willfully and intentionally acted in interference with such contracts[easements]; 3) proximately causing injury and damages to Plaintiff.

Furthermore, given that such acts which give rise to this cause of action are prejudicial to Plaintiff and in violation of its exclusive easement rights, Plaintiff is entitled to a writ of injunction under the principles of equity, as irreparable injury to real or personal property is threatened, irrespective of any remedy at law. In that regard, Plaintiff requests the Court to immediately enjoin Westlake from (2) continued operation of its pipeline and (2) agreeing with, or agreeing to renew any lease agreement with TPWD, which would be violative of Plaintiff's rights easements rights, which are the subject of this litigation.

CAUSE OF ACTION: NUISANCE

Defendant Westlake's operation of its pipeline is an intentional or negligent nuisance, as the effect of the Westlake's conduct (including but not limited to the type and manner of materials transported by its interfering pipeline) is a substantial and unreasonable interference, causing substantial harm to the economic value of Express H2O's easement, preventing unrestricted use and enjoyment of its exclusive rights to operate, construct, renew, maintain, renew, and change the size of as many pipelines as they may desire within the applicable right-of-ways.

Furthermore, given that such acts which give rise to this cause of action are prejudicial to Plaintiff and in violation of its exclusive easement rights, Plaintiff is entitled to a writ of injunction under the principles of equity, as irreparable injury to real or personal property is threatened, irrespective of any remedy at law. In that regard, Plaintiff requests the Court to immediately enjoin Westlake from (1) continued operation of its pipeline and (2) agreeing with, or agreeing to renew any lease agreement with TPWD, which would be violative of Plaintiff's rights easements rights, which are the subject of this litigation.

CAUSE OF ACTION: SUIT TO QUIET TITLE

Plaintiff has the legal and equitable title to the exclusive pipeline interests. Defendant has no legal or equitable color of title to the pipeline interests. The servient estate holders' and their predecessors in interest had and have no authority to grant the exclusive pipeline interests previously granted by their predecessor in interest to Gulf. Yet, Defendant claims title and/or a general possessory interest in Plaintiff's exclusive pipeline interests. Indeed, Defendant has filed a counterclaim in this action claiming ownership of Plaintiffs' Property outside of the recorded easement. Plaintiff requests the Court find that Plaintiff is the rightful owner of the exclusive pipeline rights, and that Defendant's claim of pipeline rights is void, invalid, or unenforceable.

Furthermore, given that such acts which give rise to this cause of action are prejudicial to Plaintiff and in violation of its exclusive easement rights, Plaintiff is entitled to a writ of injunction under the principles of equity, as irreparable injury to real or personal property is threatened, irrespective of any remedy at law. In that regard, Plaintiff requests the Court to immediately enjoin Westlake from (1) continued operation of its pipeline and (2) agreeing with, or agreeing to renew any agreement with TPWD, which would be violative of Plaintiff's rights easements rights, which are the subject of this litigation.

CAUSE OF ACTION: UNJUST ENRICHMENT

Defendant has benefited from the use of and interference with Plaintiff's exclusive pipeline interests, without reimbursement commensurate with such use, profits, benefit and/or enrichment received by Defendant, and Defendant will be unjustly enriched if allowed to retain the use, profits, benefit and/or enrichment from same. More specifically, the profits gained from actively interfering and removal of Express H2O's pipeline serve to unjustly enrich Defendant.

GENERAL DENIAL

Plaintiff hereby generally denies each and every affirmative claim asserted by Defendant Westlake Chemical OPCO, LP in its First Amended Original Answer and Petition for Declaratory Judgment. Plaintiff demands strict proof of each such claim by a preponderance of the evidence, as required by law. Plaintiff specifically denies that Westlake has any valid legal or equitable interest in the property in question and further denies that Westlake is entitled to any relief sought in its affirmative claims, including its claim for declaratory relief. Plaintiff asserts that Westlake's claims are without merit and should be dismissed in their entirety.

LACK OF STANDING

Plaintiff asserts that Defendant Westlake Chemical OPCO, LP lacks standing to assert any claims of adverse possession or any other statutory claims related to the properties referenced in this petition. Westlake's claims are based on void conveyances and a void lease, which do not confer any legal or equitable interest in the property sufficient to establish standing and moreover relate to non-possessory interests, which fail to confer any rights necessary to claim adverse possession against the servient estate holders. Furthermore, Westlake has not demonstrated the necessary elements of adverse possession, including hostile possession, as any use of the property by Westlake has been permissive and not adverse to the interests of the servient estate holder. Therefore, Westlake's claims are without merit and should be dismissed for lack of standing.

ONGOING TORTS/DISCOVERY RULE

Plaintiff alleges that the affirmative claims set forth in this petition, including but not limited to trespass, conversion, tortious interference, nuisance, and unjust enrichment, constitute ongoing torts from the continuous operation of Westlake's pipeline. As such, these claims are not subject to the statute of limitations as alleged by Defendant Westlake in their second amended

answer. Furthermore, in additional avoidance of Westlake's Statute of Limitations claim, under the discovery rule, the void grant and the damages arising therefrom were not discovered until April of 2023, when Plaintiff became aware of the interference and removal of its pipeline and the subsequent impact on its exclusive easement rights.

ATTORNEY'S FEES

As a result of the actions of Defendant, it was necessary for Plaintiff to retain the attorney whose name is signed hereto to prosecute this suit to the final judgment and Plaintiff has agreed to pay said attorney a reasonable attorney's fee, thereby entitling Plaintiff to recover its attorney's fees, costs and expenses, in addition to his claims.

Plaintiff seeks to recover its attorney's fees, costs and expenses pursuant to the *Texas Declaratory Judgment Act* and the recovery of such fees would be equitable and just. *See* Tex. Civ. Prac. & Rem. Code § 37.009.

AMENDMENTS

Plaintiff reserves the right to amend this petition, to file additional claims, to name additional parties, and to seek other relief to which Plaintiff may be entitled.

RULE 193.7 NOTICE

Pursuant to Rule Pursuant to Rule 193.7 of the Texas Rules of Civil Procedure, Plaintiff hereby gives actual notice to Defendant that any and all documents produced by Defendant may be used against said Defendant at any pretrial proceeding and/or at the trial of this matter without the necessity of authenticating the documents.

PRAYER

WHEREFORE, PREMISES CONSIDERED, Plaintiff requests that Defendant be cited to appear and answer and that on final hearing hereof, the Court render judgment against Defendant for the following:

- a. declare (1) the grants from the servient estate holders' predecessors in interest conveyed exclusive pipeline rights to Express H2O's predecessor in interest within the applicable easements and/or rights-of-ways, (2) valid and active all Express H2O's rights as they relate to any easements and/or right-of-ways on Express H2O's line, despite any trespass or interference by Defendant, (3) declare void any rights exercised by Westlake in interference of Express H2O's exclusive pipeline rights, and (4) declare void any transfers of pipeline rights within Express H2O's easements or rights that otherwise interfere with Express H2O's exclusive pipelines rights;
- b. A finding that Plaintiff is the rightful owner of the exclusive pipeline rights, and that Defendant's claim of any pipeline rights is void, invalid, or unenforceable;
- c. The lost market value for the highest and best use of Express H2O's exclusive pipeline interests, loss of potential earnings;
- d. Court costs;
- e. prejudgment and post-judgment interest at the maximum legal rate provided by law;
- f. equitable and just and/or reasonable and necessary attorney's fees incurred by Plaintiffs; and
- g. Such other and further relief, both general and special, legal and equitable, to which Plaintiffs may show themselves justly entitled, including but not limited to enjoining Westlake from (1) continued operation of its pipeline and (2) agreeing with, or agreeing to renew any lease agreement with TPWD, which would be violative of Plaintiff's rights easements rights, which are the subject of this litigation.

COUNTY OF COMAL

§

AFFIDAVIT OF LARRY WRIGHT

BEFORE ME, the undersigned authority, on this day personally appeared Larry Wright, who swore on oath that the following facts are true:

"My name is Larry Wright. I am of sound mind, and fully competent to make this affidavit. I have personal knowledge of the facts stated herein, and they are all true and correct.

I am the founder and manager of Express H2O Pipeline & Row, LCC, ("Express H2O"). Express H2O owns an approximately 67-mile pipeline (originally owned and operated by Gulf) and the easements/access agreements relating to same. In August of 2017, Black Duck Properties, LLC., (Black Duck) purchased the pipeline from Express Gas Pipeline, LP, Gulf's successor in interest. On 8.15.2017, the conveying deed was filed in County Clerk Records of Nacogdoches County, Texas. (See Exhibit 1.) Black Duck later transferred such interests to KrisJenn Ranch LLC Series Pipeline ROW, which subsequently conveyed interests to Express H2O in 2.22.23.

In April of 2023, John Terrell, an agent acting on behalf of multiple gas producers, approached me with an interest in purchasing the H2O Express Pipeline. Before committing to a sale discussion, I retained Roger Kirkland of Onward to assist in clarifying any issues along the Express H2O right-of-way. Mr. Terrell's interest ended two weeks later after I advised him of Mr. Kirkland's report to me of trespass and interference with the Express H2O right-of-way. More specifically, Mr. Kirkland advised me that Westlake Chemical OpCo LP ("Westlake") owned and operated a pipeline and multiple right-of-ways across parcels occupying the same right-of-ways owned by Express H2O on such parcels, including an area crossing Alazan Bayou WMA, which is operated by Texas Parks & Wildlife Department. (See Exhibit 2, TPWD to Westlake Easement

filed on 11.3.2017). I advised Mr. Terrell of the issues, and that they had to be resolved before I could entertain further discussions regarding a sale.

In July of 2023, I contacted David Williams, a pipeline coordinator for Westlake and discussed the situation with him. As part of this conversation, I advised him of my concern regarding the survey noted as "Exhibit B" attached Westlake's recorded easement reflecting that the Express H2O (formerly Gulf) line had been abandoned, which made no sense given that at all relevant times (1) there was plenty of public notice for the original surveyors to have known the Gulf pipeline was not an abandoned pipeline (2) Texas Parks and Wildlife acquired Alazan Bayou WMA with exceptions to title showing the presence of the easement now owned by H2O Express easement, and (3) at all relevant times Express H2O's Pipeline interests still remained actively permitted with the Texas Rail Road Commission. Further, given that Mr. Kirkland of Onward reported to me that a landowner along the easement advised that Westlake was not only using Express H2O's right-of-way, but also that Westlake and/or TPWD removed sections of Express H2O's pipeline, I advised Mr. Williams that if the matter could not be resolved, I would be seeking injunctive relief. Following that statement, he exclaimed, "Lordy, Lordy, if that is true, it will be time for me to retire." I followed up with him shortly thereafter for a status, and he advised that ^{ya} they ^{line} were taking me seriously and still trying to get information.

On two separate occasions in August of 2023, I spoke with Daniel Mangum, an agent of Buckeye Development & Logistics LLC. ("Buckeye"). Buckeye is the company that operates Westlake's pipeline on behalf of Westlake. I would later learn that Mr. Mangum's job duties with Buckeye included managing original land records and managing the creation, preparation, negotiation, execution, recording, and filing of all right-of-way documentation.

Our initial phone call involved many general questions, such as how long he had worked

for Buckeye and his job duties. He advised he had been working for Buckeye for approximately twelve years. I asked him if he was aware of the Texas Parks tract in Nacogdoches County and the possible trespass. He instead asked me to explain.

I went into extended detail about the trespass and how Express H2O still owned that easement. We talked about why the first original Mustang (Westlake's predecessor in interest) Easement was described as a miscellaneous easement versus a pipeline easement. I made my thoughts very clear that titling the instrument as "miscellaneous" created an inadequate reference in the Nacogdoches County Clerk Record, which is a fact backed up by my own title examiners. Mr. Mangum did claim he had seen miscellaneous easements used before. However, I replied that miscellaneous easements are used for utility or road easements, not pipeline easements.

On the second phone call, approximately a week later, Mr. Mangum asked me what my proposal was to solve the problem. I responded that the easiest way was to just buy that portion of the pipeline and right-of-way. He asked, "What price I was talking about?" I'm not sure I gave an amount; however, Mr. Mangum did respond he thought purchasing was a good idea and would recommend it Westlake. He agreed that we could resolve the situation and discussed the possibility of mediation. That's the last call Mr. Mangum would take from me.

Later, after email attempts to follow up again with Mr. Williams, he referred me to Lowell Sykes, Olefin Manager for Westlake. I spoke with him on September 6, 2023, regarding the same issues I discussed with Mr. Williams and Mr. Mangum. On that same day, Mr. Sykes sent me a follow up email and noted that it would be best for my counsel to reach out to Westlake's counsel (Joel Iglesias) "to explain the details of the situation so we do a more thorough investigation of the facts."

Since that time, I directed my counsel to investigate further and obtain records from the

Texas Parks and Wildlife Department. Since Texas Parks and Wildlife acquired Alazan Bayou WMA with exceptions to title showing the presence of the H2O Express easement, we suspected that an open records request would uncover additional information, and more importantly, exactly where from and why Westlake's easement would have included a survey incorrectly showing Gulf lines as abandoned, which appears to have been generated for Mustang Pipeline well over 20 years before the TPWD to Westlake grant of an easement.

Of particular note, my counsel learned the following, of which I have reviewed in detail for the purposes of this affidavit:

- a. On 1.17.17, Dennis Gissell, of TPWD emailed to himself Easement Exhibits A and B, which do not include the 1996 Mustang Exhibit. (Showing Lines Marked Abandoned.) (See Exhibit 3)
- b. On 1.17.17 [only seconds later] Dennis Gissell emailed himself the same Easement Exhibits A and B, which do not include the 1996 Mustang Exhibit. (See Exhibit 4)
- c. Only a day later on 1.18.17, Dennis Gissell emails Sweeney of Texas Parks now enclosing a new Exhibit, the 1996 Mustang Exhibit, noting it as the "new Exhibit B." (See Exhibit 5) There is no explanation provided as to why Mr. Gissell switched out Exhibit B to a survey that inaccurately shows Express H2O's line as abandoned. Such survey appears to have replaced Westlake's original Exhibit B during the drafting process, and became of record upon the filing of the TPWD/Westlake Easement on 11.3.2017, which is over 2.5 months following Black Duck's recording of the conveyance of the Gulf pipeline with the Nacogdoches County Clerk.
.....
- d. 9.7.23 to 9.12.23 Email String (See Exhibit 6): This email is an email forward from Lowell Sykes of my 9.7.23 email where Mr. Sykes notes: "I'd like to address the statements that Mr. Wright makes below." "we are still investigating this issue and we certainly have not assigned

blame." Mr. Gissell later notes internally to TPWD on the string that he is not talking to either party without guidance from legal.

e. 9.8.23 to 9.12.23 Email String (See Exhibit 7): This string begins as an email forward of my

9.8.23 Email to Dennis Gissell. Of particular note is the following commentary:

1. 9.11.23 Stephen Lange, Regional Director of Wildlife Division states, "I don't think we ever denied the existence of a pipeline or easement, but their [H2O's] ownership history far supersedes TPWD ownership."
2. 9.12.2023 David Stan, TPWD Project Manager, notes "Dennis [Gissell] and I researched this back to the early 1900's in mid-July...." "It is a mess to say the least. TPWD inherited the mess..."

Regarding Mr. Gissell, I spoke with him sometime in the first week of September of 2023.

However, he did not disclose to me (1) what appears now to be his curious role in providing an incorrect survey as an attachment to the easement between Westlake and TPWD or (2) why Westlake would agree to using such survey as an exhibit to the easement without objection. Further, I suspect TPWD performed the research cited in David Stan's email (d.2) given Mr. Kirkland's continued efforts to obtain information from TPWD without success.

Bailey Wingate and his staff assisted in typing portions of this affidavit and did so based on information that I communicated to him and his associate on several occasions. I have personally reviewed the statements in this affidavit and attest such statement (1) are true to the best of my knowledge and (2) accurately reflect my personal knowledge of the facts stated."

EXCEPTIONS AS NOTED
IN 1992 TEPCO TO LANCER PURCHASE AGREEMENT
Nacogdoches County, Texas

1. Tracts 20, 21, 26, 46 and 67 in Nacogdoches County, Texas involve easements that have been released prior to the date of the Purchase and Sale Agreement or from which the pipe has been removed prior to the date of this Agreement.
2. (A) Amendatory Agreement ("Agreement"), dated 1/13/76, between Bethel Baptist Church, by Trustees ("Bethel"), and Texas Eastern Transmission Corporation ("Corporation"), recorded in Volume 404, Page 254, Deed Records, Nacogdoches County, Texas. Said Agreement amends three easements recorded in Volume 74, Page 8, Volume 82, Page 410 and Volume 114, Page 369, whereby Corporation agrees to remove its existing pipeline from that portion of the property owned by Bethel and Bethel grants to Corporation an alternate right of way within a portion of land for future pipeline construction, subject to stated conditions.

(B) Amendatory Agreement ("Agreement"), dated 03/03/83, between East Texas Portable Building Co., Inc. ("Owner"), and Texas Eastern Transmission Corporation ("Corporation"), recorded in Volume 485, Page 200, Deed Records, Nacogdoches County, Texas. Said Agreement amends easement recorded in Volume 114, Page 117, whereby Corporation agrees to re-route the pipeline and restrict easement to centerline as described therein, subject to certain rights reserved by Owner, as related to potential development of lands by Owner.

(C) Amendatory Agreement ("Agreement"), dated 02/21/83, between Glenn Layton ("Owner"), and Texas Eastern Transmission Corporation ("Corporation"), recorded in Volume 485, Page 205, Deed Records, Nacogdoches County, Texas. Said Agreement amends easement recorded in Volume 114, Page 117, whereby Corporation agrees to re-route the pipeline and restrict easement to centerline as described therein, subject to certain rights reserved by Owner, as related to potential development of lands by Owner.

(D) Amendatory Agreement ("Agreement"), dated 02/16/83, between Big Red Enterprises, Inc. ("Owner"), and Texas Eastern Transmission Corporation ("Corporation"), recorded in Volume 485, Page 211, Deed Records, Nacogdoches County, Texas. Said Agreement amends easement recorded in Volume 114, Page 177, whereby Corporation agrees to re-route the pipeline and restrict easement to centerline as described therein, subject to certain rights reserved by Owner, as related to potential development of lands by Owner.

(E) Amendatory Agreement ("Agreement"), dated 05/29/81, between Lenvel Stanaland, et al. ("Owners"), and Texas Eastern Transmission Corporation

**EASEMENT ON TEXAS PARKS AND WILDLIFE DEPARTMENT LAND
(Renewal of former ME970024 through Texas General Land Office)
Miscellaneous Easement No. 970024**

STATE OF TEXAS §

KNOW ALL MEN BY THESE PRESENTS:

COUNTY OF NACOGDOCHES §

This easement (Agreement) renewal is granted by virtue of the authority provided in Section 11.301, TEXAS PARKS & WILDLIFE CODE, and all other applicable statutes and rules, as the same may be amended from time to time, and is subject to all applicable regulations promulgated from time to time.

ARTICLE I. PREMISES

1.01. In consideration of the mutual covenants and agreements set forth herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, the TEXAS PARKS AND WILDLIFE DEPARTMENT, whose address is 4200 Smith School Road, Austin, Texas, 78744 ("Grantor"), hereby grants to Westlake Chemical OpCo LP, 2801 Post Oak Blvd., Houston, Texas 77056, with phone for company contact - David Williams, 903-242-7519 or 903-806-9505, ("Grantee"), a non-exclusive easement for the purposes identified herein for one (1) 10.75 inch O.D. pipeline, for the purpose of transporting petrochemical products (the "Improvements").

1.02. The easement is located on Texas Parks and Wildlife Department land known as the Alazan Bayou Wildlife Management Area (ABWMA), Nacogdoches County, Texas. The easement tract is a 649.74 rods long and thirty-five (35) feet wide right-of-way, being (17.5) feet on either side of a centerline of the pipeline, as more particularly described in the Vicinity Map attached hereto as Exhibit A and the Centerline Description attached hereto as Exhibit B, both of which are attached hereto and incorporated herein for all purposes by this reference (the "Premises").

1.03 GRANTEE HAS INSPECTED THE PHYSICAL AND TOPOGRAPHIC CONDITION OF THE PREMISES AND ACCEPTS THE SAME "AS IS", IN ITS EXISTING PHYSICAL AND TOPOGRAPHIC CONDITION. GRANTOR DISCLAIMS ANY AND ALL WARRANTIES OF HABITABILITY, MERCHANTABILITY, SUITABILITY, FITNESS FOR ANY PURPOSE, AND ANY OTHER WARRANTY WHATSOEVER NOT EXPRESSLY SET FORTH IN THIS AGREEMENT. GRANTOR AND GRANTEE HEREBY AGREE AND ACKNOWLEDGE THAT THE USE OF THE TERM "GRANT" IN NO WAY IMPLIES THAT THE EASEMENT GRANTED HEREIN IS FREE OF LIENS, ENCUMBRANCES AND/OR PRIOR RIGHTS. GRANTEE ACKNOWLEDGES THAT IT IS NOT RELYING UPON ANY REPRESENTATION, WARRANTY, STATEMENT OR OTHER ASSERTION OF GRANTOR; OR ANY OFFICIAL, AGENT, REPRESENTATIVE OR EMPLOYEE OF GRANTOR, WITH RESPECT TO THE PROPERTY CONDITION, BUT IS RELYING ON GRANTEE'S OWN EXAMINATION OF THE PROPERTY. NOTICE IS HEREBY GIVEN TO GRANTEE THAT ANY PRIOR GRANT AND/OR ENCUMBRANCE MAY BE OF RECORD AND GRANTEE IS ADVISED TO EXAMINE ALL LAND TITLE RECORDS OF THE COUNTY IN WHICH THE PREMISES ARE LOCATED. THE PROVISIONS OF THIS SECTION 1.03 SHALL SURVIVE THE EXPIRATION OR EARLIER TERMINATION OF THIS EASEMENT.

ARTICLE II. TERM

2.01. This Agreement is for ten (10) years beginning January 1, 2017 and terminating on December 31, 2027, unless earlier terminated as provided herein and provided the terms of this agreement have not been violated by Grantee. Grantor and Grantee agree that this Agreement shall automatically terminate if Grantee ceases to use the Premises for the purposes set forth in Article IV hereof.

ARTICLE III. CONSIDERATION

3.01 For the ten-year term of this Agreement, beginning January 1, 2017, the following amount will be due from Grantee to Grantor as damages for ongoing loss of habitat, lost productivity to fish and wildlife resources and loss of recreational opportunity to the public on the state's wildlife management area: One Hundred Seventy Four Thousand, Six Hundred Seventeen and 63/100 Dollars (\$174,617.63), payable in goods and services or cash payment, at the discretion of the Area Manager.

Goods and services will be used by the Department at the discretion of the Area Manager. Goods and services shall consist of supplies, materials, equipment, vehicles, infrastructure and habitat enhancements for use on the wildlife management areas, or real property acquisition as specified by the Area Manager, 8096 FM 2782, Nacogdoches, Texas 75964. Vouchers submitted to the Grantee for payment of goods and services shall be for amounts no less than \$500.00. Grantee shall make funds available for expenditure on goods and services for the term of the easement. Unencumbered funds remaining following termination of easements shall be remitted to Grantor for deposit in Fund 009.

3.02. Grantee shall pay and discharge any and all taxes, general and special assessments, and other charges which may be levied on or against the Premises or any improvements on account of Grantee's use of the Premises. Grantee shall pay such taxes, charges and assessments 15 days prior to the date of delinquency thereof directly to the authority or official charged with the collection thereof. Notwithstanding the foregoing, Grantor shall provide Grantee written notice of any delinquency of which Grantor is aware and Grantee will pay such delinquency immediately.

3.03. Grantee agrees to and shall protect and hold Grantor harmless from liability for any and all such taxes, charges, and assessments, together with any penalties and interest thereon, and from any sale or other proceedings to enforce payment thereof. Grantee shall have the right, in good faith, at its sole cost and expense, to contest any such taxes, charges or assessments.

3.04. All sums provided to be paid by Grantee hereunder shall be due and payable without demand or notice by Grantor.

ARTICLE IV. USE

4.01. Subject to the terms and conditions of this Agreement, Grantee (the term "Grantee" includes Grantee's officers, representatives, employees, agents, contractors, and subcontractors throughout this Agreement) shall have the right to use the Premises, together with the right of ingress and egress through ABWMA, solely to maintain, operate and repair the Improvements. Grantee shall not use the Premises or ABWMA for any other purpose without first obtaining the written consent of Grantor. Grantee shall not upgrade, or add an additional pipeline or pipelines, utilities or infrastructure without the written consent of Grantor, and shall be subject to a surface use agreement and/or an amendment to this easement, subject to the terms and conditions for TPWD easements in effect at the time.

4.02. Grantor, its officers, representatives, employees and agents shall have the right to enter upon the Premises at all reasonable times for the purpose of inspection and for any other reasonable purpose necessary to protect Grantor's interests therein. Further, Grantor shall have the right to use any or all of the Premises for any purpose not inconsistent with this Agreement.

4.03. Grantee shall not use, or permit the use of, the Premises or ABWMA for any illegal purpose. Grantee shall comply, and cause its officers, employees, representatives, agents, contractors, subcontractors and invitees to comply, with the provisions of this Agreement and all applicable laws, ordinances, rules and regulations of authorities with jurisdiction over Grantee's activities or use of the Premises or ABWMA. Grantee shall continue to maintain the road access to the pipeline, constructed by the Grantee to accommodate access by two-wheel drive vehicles, including adding culverts, all-weather road base material, and other maintenance as necessary.

4.04. Grantee shall not assign or sublease the Premises, or the rights granted herein, in whole or in part, to any third party for any purpose without the prior written consent of Grantor.

ARTICLE V. OPERATION

5.01. Subject to the terms and conditions set forth below, Grantee shall have the right to maintain, operate and repair the Improvements on the Premises in accordance with the terms and conditions of this Agreement.

5.02. The location of the Premises is fixed at the location of the existing pipeline facility as described and depicted in Exhibits "A" and "B", and shall not change without the prior written consent of the Grantor.

5.03. In accomplishing any installation, construction, maintenance, repair or operation of the Improvements, Grantee agrees to comply with the terms and conditions set forth and with the following special conditions:

- a. Grantee shall operate, maintain and repair the Improvements in a manner that results in the least possible disturbance to soils, vegetation and surrounding property. Grantee shall not operate vehicles off established roadways or conduct surface-disturbing activities, including maintenance, repair, replacement, or inspection activities, except in accordance with a surface use agreement signed by Grantor. For reasons of safety and security, Grantee shall provide notice to, and receive consent from the ABWMA manager before Grantee's representatives, employees, agents, contractors, or subcontractors access the ABWMA, which consent shall not be unreasonably withheld;
- b. Except as may be required by the governing body having jurisdiction over the pipeline and its operation, this easement is to be considered as a "no mow" easement. No clearing, mowing or other disturbance of vegetation or soils is allowed within this easement, unless approved in writing by the Project Leader or Area Manager for the ABWMA. If approved in writing, Grantee may clear natural vegetation only to the extent that it poses a hazard or hindrance to public safety or operation of the Improvements;
- c. Grantee shall not dispose of brush and other materials cleared from the Premises except by methods approved by Grantor. In no instance shall such materials be burned;
- d. Grantee shall leave a screen of natural vegetation where the Premises would otherwise be visible from any road or highway;
- e. Grantee shall exercise care in the operation, maintenance and repair of the Improvements so as to cause the least possible amount of disturbance to natural features, or to constructed features;
- f. Grantee shall use appropriate efforts and safeguards to prevent pollution of air, ground and water in and around the Premises; and to comply with all applicable rules and regulations of the State of Texas, and the federal government including, without limitation, the Texas Parks & Wildlife Department and other authorities with jurisdiction over the Premises and ABWMA for the protection and preservation of public lands and waters;
- g. Grantee shall correct or repair damages resulting from activities authorized hereunder in a manner satisfactory to the Grantor or its designated representative;

- h. Grantee shall repair or replace any road, fence, bridge, building or other structure, other than Grantee's own structures, damaged or destroyed by Grantee's activities on the Premises or ABWMA, and shall remove any equipment, structures, vehicles or other materials not in use or continually serving as functional components of the Improvements;
- i. Grantee shall comply with all applicable federal, state and local statutes, rules and regulations, and generally accepted industry practices and standards presently in force and as amended, superseded or replaced in the future;
- j. Grantee shall avoid disturbance to nesting waterbirds during the period of February 15th to September 1st.

5.04. Grantee shall notify any contractor performing work or services related to this Agreement of all general and special conditions applicable to such work or services and shall provide Grantor with a copy of such notice. Further, Grantee shall be liable for any action of such contractor or its subcontractor which is inconsistent with the provisions of this Agreement.

5.05. Grantee shall provide written notice to Grantor of planned installation, construction, maintenance, or repairs at least 48 hours in advance of the initiation of such activity so that Grantor may adjust its own operation or public activities on or near the Premises. Grantee will leave gates open, closed, locked or unlocked, the same as they are found, at all times.

5.06. Grantee shall be fully liable and responsible for any damage to the Premises and ABWMA, the Improvements, or any other property of any nature, arising or resulting from its use of the Premises or ABWMA, its own acts or omissions, or those of its officers, representatives, employees, agents, contractors, subcontractors and invitees, related to the exercise of the rights granted herein. Grantee agrees to repair or replace, as required, such damage to land or Improvements to the reasonable satisfaction of Grantor, or, at Grantor's option, to compensate Grantor for a reasonable amount for such damage. In the event of an incident that results in pollution of the Premises and/or the adjacent property of Grantor or others, Grantee shall use all reasonable measures available to recapture any pollutants which have escaped or may escape. THE PROVISIONS OF THIS SECTION SHALL SURVIVE EXPIRATION OR EARLIER TERMINATION OF THIS AGREEMENT.

ARTICLE VI. INDEMNITY

6.01 GRANTEE SHALL BE FULLY LIABLE AND RESPONSIBLE FOR ANY DAMAGE, OF ANY NATURE, ARISING OR RESULTING FROM OR ATTRIBUTABLE TO GRANTEE'S USE GRANTED HEREIN OR THE ACTS OR OMISSIONS OF GRANTEE, ITS AGENTS OR CONTRACTORS RELATED TO GRANTEE'S EXERCISE OF THE RIGHTS GRANTED HEREIN. GRANTEE AGREES TO AND SHALL INDEMNIFY AND HOLD THE GRANTOR, THE GRANTOR'S OFFICERS, AGENTS, AND EMPLOYEES, HARMLESS FROM AND AGAINST CLAIMS, SUIT, COSTS, LIABILITY OR DAMAGES OF ANY KIND, INCLUDING STRICT LIABILITY CLAIMS, COSTS OF COURT, ATTORNEY'S FEES AND COSTS OF INVESTIGATION OR EXPERTS, WITHOUT LIMIT AND WITHOUT REGARD TO CAUSE OF THE DAMAGE OR THE NEGLIGENCE OF ANY PARTY (EXCEPT TO THE EXTENT OF THE PROPORTIONATE NEGLIGENCE OR WILLFUL MISCONDUCT OF THE GRANTOR, THE GRANTOR'S OFFICERS, AGENTS, EMPLOYEES, OR CONTRACTORS) ARISING DIRECTLY OR INDIRECTLY FROM OR ATTRIBUTABLE TO GRANTEE'S USE OF THE PREMISES (INCLUDING ABWMA AND ANY ADJACENT OR CONTIGUOUS LAND) OR FROM ANY BREACH BY GRANTEE OF THE TERMS, COVENANTS OR CONDITIONS CONTAINED HEREIN. THE PROVISIONS OF THIS SECTION SHALL SURVIVE EXPIRATION OR EARLIER TERMINATION OF THIS AGREEMENT.

ARTICLE VII. DEFAULT AND TERMINATION

7.01. In the event that Grantee fails to comply with any of the covenants, conditions, terms, undertakings or provisions hereof, Grantor shall notify Grantee in writing of said default and Grantee shall have thirty (30) days to cure the default; provided however if any such default requires work to be performed, acts to be done or conditions to be remedied which, by their nature, cannot be performed, done, or remedied within said period, then Grantee is deemed in compliance if Grantee commences same within said period and thereafter diligently and continuously prosecutes the same to completion. Further, no waiver of any default, breach or noncompliance with respect to any of the covenants, conditions, undertakings or provisions hereof which may be given by Grantor shall operate as a waiver of any subsequent or different breach or default or as a waiver of Grantor's rights under this paragraph.

7.02. Each of the following acts by Grantee shall constitute an event of default and termination hereunder:

- a. Abandonment or vacating of the Improvements or Premises or any significant part thereof.
- b. Bankruptcy, insolvency or other such act resulting in the appointment of a receiver, liquidator, custodian, or other such fiduciary charged with liquidating or winding-up of Grantee's affairs.
- c. Material noncompliance with the Agreement after notice and opportunity to cure as provided in sec. 7.01.
- d. Nonpayment pursuant to section 3.01.

7.03. Except as otherwise provided in subsection 7.04, Grantee shall, within one hundred twenty (120) days from the date of expiration or sooner termination of this Agreement, remove all personal property and the Improvements, and shall restore the Premises (and any other property affected by such removal activities) to the same condition that existed before Grantee entered thereon. Such removal and restoration activities shall be conducted in accordance with Grantor's guidelines in effect at the time of removal/restoration which may include, without limitation, specific removal techniques required for protection of natural resources, and mitigation or payment in lieu of mitigation for any and all damages resulting from removal activities. Grantee shall notify Grantor at least ten (10) days before commencing removal/restoration activities so that a field inspector may be present. Grantor may require that the Improvements be left in place if in the Grantor's sole opinion and discretion, the removal of Improvements would result in greater damage to the Premises than leaving the Improvements in place. Grantor may require purging, capping, sealing and other such protective measures if the Improvements are to be left in place.

7.04. Grantor may waive the removal/restoration requirements in subsection 7.03 if, in Grantor's sole opinion and discretion, such waiver is in the best interest of Grantor. No such waiver is effective unless such waiver is in writing and may be conditioned upon factors including, without limitation, the nature and sensitivity of the natural resources in the area, potential damage to or destruction of property, beneficial uses of the existing Improvements, and other factors considered to be in the best interest of Grantor.

ARTICLE VIII. HOLDOVER

8.01. If Grantee holds over and continues in possession of the Premises after expiration or earlier termination of this Agreement, Grantee will be deemed to be occupying the Premises on the basis of a month-to-month tenancy subject to all of the terms and conditions of this Agreement, except that as liquidated damages by reason

of such holding over, Grantee shall be required to pay Grantor holdover consideration in the amount of Two Thousand and No/100 Dollars (\$2,000.00) per month during such holdover period. Grantee acknowledges that in the event it holds over, Grantor's actual damages will be difficult, if not impossible, to ascertain, and the liquidated damages herein agreed to be paid are reasonable in amount and are payable in lieu of actual damages and are not a penalty. Grantee further acknowledges that acceptance of holdover consideration does not imply Grantor consent to holdover.

8.02. The tenancy from month-to-month described in Section 8.01 of this Agreement may be terminated by either party upon thirty (30) days written notice to the other.

8.03. The consideration due after notice of termination has been given is to be calculated according to Section 8.01 hereinabove on a pro rata basis. If upon notice of termination by the Grantor, Grantee pays consideration in excess of the amount due and payable and the Grantor accepts such payment, the acceptance of such payment will not operate as a waiver by the Grantor of the notice of termination unless such waiver is in writing and signed by the Grantor. Any such excess amounts paid by Grantee and accepted by the Grantor shall be promptly refunded by the Grantor after deducting any amounts owed to the Grantor.

ARTICLE IX. RESERVATIONS

9.01. To the extent not previously conveyed, Grantor reserves to itself all rights to all minerals, ores and metals of any kind and character found at the surface and in, on or under the Premises and ABWMA and to all groundwater and geothermal resources.

ARTICLE X. NOTICE

10.02. Any notice which may or shall be given hereunder shall be in writing and shall be sent by U.S. mail, postage prepaid, registered or certified, with return receipt requested, to the respective addresses stated above or as changed by a party from time to time by the giving of notice to the other.

10.03. No change of address of either party shall be binding on the other until notice of such change is given as provided herein. A post office receipt for such notice or a signed return receipt shall be conclusive that such notice was delivered in due course if mailed as provided above. Any notice mailed in the above manner shall be

deemed completed upon the earlier to occur of (1) actual receipt, as indicated on a signed return receipt or (2) three days after posting such notice as provided above.

ARTICLE XI. MISCELLANEOUS PROVISIONS

11.01. With respect to terminology in this Agreement, each number (singular or plural) shall include all numbers, and each gender (male, female or neuter) shall include all genders. If any provision of this Agreement shall ever be held to be invalid or unenforceable, such invalidity or unenforceability shall not affect any other provisions of the Agreement, but such other provisions shall continue in full force and effect to the extent reasonable and practicable.

11.02. The titles of the Articles in this Agreement shall have no effect and shall neither limit nor amplify the provisions of the Agreement itself. This Agreement shall be binding upon and shall accrue to the benefit of the Grantor, its successors and assigns, Grantee, Grantee's successors and assigns (or heirs, executors, administrators and assigns, as the case may be). The words "hereof," "herein," "hereunder," "hereinafter" refer to this entire instrument, not just to the specific article, section or paragraph in which such words appear.

11.03. Neither acceptance of consideration (or any portion thereof) or any other sums payable by Grantee hereunder (or any portion thereof) to the Grantor nor failure by Grantor to complain of any action, non-action or default of Grantee shall constitute a waiver as to any breach of any covenant or condition of Grantee contained herein nor a waiver of any of the Grantor's rights hereunder. Waiver by the Grantor of any right for any default of Grantee shall not constitute a waiver of any right for either a prior or subsequent default of the same obligation or for any prior or subsequent default of any other obligation. No right or remedy of the Grantor hereunder or covenant, duty or obligation of Grantee hereunder shall be deemed waived by the Grantor unless such waiver be in writing, signed by a duly authorized representative of the Grantor.

11.04. No provision of this Agreement shall be construed in such a way as to constitute the Grantor and Grantee joint venturers or co-partners or to make Grantee the agent of Grantor or make the Grantor liable for the debts of Grantee.

11.05. In all instances where Grantee is required hereunder to pay any sum or do any act at a particular indicated time or within an indicated period, it is understood that time is of the essence.

11.06. Under no circumstances whatsoever shall the Grantor ever be liable hereunder for consequential damages or special damages. The terms of this Agreement shall only be binding on Grantor during the period of its ownership of the Premises and in the event of the transfer of such ownership interest, Grantor shall thereupon be released and discharged from all covenants and obligations under this Agreement incurred after the date of ownership transfer.

11.07. All monetary obligations of the Grantor and Grantee (including, without limitation, any monetary obligation for damages for any breach of the respective covenants, duties or obligations of either party hereunder) are performable exclusively in Austin, Travis County, Texas.

11.08. The obligation of Grantee to pay all consideration and other sums hereunder provided to be paid by Grantee and the obligation of Grantee to perform Grantee's other covenants and duties under this Agreement constitute independent, unconditional obligations to be performed at all times provided for hereunder, save and except only when an abatement thereof or reduction therein is expressly provided for in this Agreement and not otherwise. Grantee waives and relinquishes all rights which Grantee might have to claim any nature of lien against, or withhold or deduct from or offset against, any consideration or other sums provided hereunder to be

paid to the Grantor by Grantee. Grantee waives and relinquishes any right to assert, either as a claim or as a defense, that the Grantor is bound to perform or is liable for the nonperformance of any implied covenant or implied duty of the Grantor not expressly set forth in this Agreement.

ARTICLE XII. INFORMATIONAL REQUIREMENTS

12.01. The Parties shall provide each other written notice of any change in name, address, corporate structure, legal status or any other information relevant to this Agreement.

12.02. Grantee shall provide to the Grantor any other information reasonably requested by the Grantor in writing within thirty (30) days following such request or such other time period approved by the Grantor (such approval not to be unreasonably withheld).

12.03. Grantee hereby acknowledges that late submission by Grantee to the Grantor of information (including, without limitation, as-built and/or burial surveys) required under this Agreement will cause the Grantor to incur various expenses not contemplated by this Agreement, the exact amount of which are presently difficult to ascertain. Accordingly, if any information required to be submitted within a certain time under the terms of this Agreement shall not be received by the Grantor on or before five (5) days after the date when due, then, Grantee shall pay to the Grantor a "Late Charge" equal to one hundred dollars (\$100.00) for each day past due. The Grantor and Grantee agree that such Late Charge represents a fair and reasonable estimate of the expenses that the Grantor will incur by reason of such late submission of information by Grantee. Acceptance of such Late Charge by the Grantor shall not constitute a waiver of Grantee's default with respect to any such past due information, nor prevent the Grantor from exercising any other rights and remedies granted under this Agreement, at law, or in equity.

ARTICLE XIII. ENTIRE AGREEMENT

13.01. This Agreement, including exhibits, constitutes the entire agreement between Grantor and Grantee and no prior written or prior contemporaneous oral promises or representations shall be binding.

13.02. This Agreement shall become effective only upon execution by all parties hereto and delivery of a fully executed counterpart to each party.

13.03. This Agreement shall not be amended, changed, altered, or extended except by written instrument signed by all parties hereto.

13.04. Within thirty (30) days following execution of this Agreement, Grantee shall record the Agreement or a memorandum thereof in the real property records of the county or counties in which the premises are located and provide a certified copy of the recorded instrument to Grantor. Should Grantee fail to do so, Grantor may cause the Easement to be recorded, at Grantee's expense, and to have the cost thereof reimbursed upon advising Grantee of such cost.

13.05. Upon expiration or earlier termination of this Agreement, Grantee agrees to execute documents, in recordable form, reasonably required by Grantor to evidence expiration or termination of this Agreement. GRANTEE'S OBLIGATION TO EXECUTE SUCH DOCUMENTS SHALL SURVIVE EXPIRATION OR EARLIER TERMINATION OF THIS AGREEMENT.

Dear Mr. Gissell,

My name is Lowell Sykes, I'm the Commercial Manager for Westlake OpCo's Ethylene pipeline. I've recently been involved with the easement issue concerning Express H2o Pipeline. I believe the email below from Express H2o Pipeline was intended for you, but was likely not delivered as the email address is incorrect. Would it be possible to schedule a call between the two of us? I'd like to address some of the statements Mr. Wright makes below. Primarily, I want you to know that we are still investigating this issue and we certainly have not assigned blame to anyone, including the Texas Parks & Wildlife Department.

Feel free to email to schedule a time to talk or call at your convenience.

Best Regards,
Lowell

Importance: High

Dennis,

Obviously, from the surface, I don't think we have ever denied the existence of a pipeline or easement, but their ownership history far supersedes TPWD ownership. Obviously, we now have new management at the Regional and Project/WMA level and neither Daniel nor I have ever delt with the issue. Just let use know what we need to do to assist, but the deed research and abstract history will fall on LCP.

Thanks,

Steve

Subject: FW: Original Mustang easement

Folks,

I was contacted by Mr. Wright last week to let us know that they are anticipating significant legal action with Westlake Chemical, who is the current easement holder for a pipeline crossing Alazan Bayou WMA from south to north. Mr. Wright claims to be the actual owner of that easement. He apparently attempted to email some fairly voluminous files that would not pass TPWD email restrictions on size. I would be pleased to discuss this with you all, to the extent of what I have heard from Mr. Wright. I will try to find the associated agreements on this easement dating back to 1913 or so for review.

Please let me know if you have any questions or concerns.

Thank you

Subject: Original Mustang easement

ALERT: This email came from an external source. Do not open attachments or click on links in unknown or unexpected emails.

Dennis-I'm having to recreate the last email I sent you with the Original Mustang Easement attached. Apparently it was too long:word for word. Notice the surveyor has posted on the survey, multiple times:Gulf Pipeline abandoned. Also, the huge effect upon title Companies in searching our right away(row) by showing the Easement as a "Miscellaneous Easement". We believe this was Intentional and a way to hide the new easement to the Public. Someone knew that the Lancer Pipeline and Row was still active with the Railroad Commission. (We have those yearly RRC filings from 1992 on)

Please let me know what you might need for your search. We have the original easements from 1913 on the Alazan Bayou property. We have the deeds from Gulf to Texas Eastern in 1959. We have the deeds from Texas Eastern to Lancer in 1992. We have the deeds from Lancer(2004 changed name to Express Gas Pipeline) to BlackDuck(now Express H2o Pipeline LLC.) in 2017 which was 3 days before the third Westlake-Texas Parks Easement was signed. All of the above listed documents appear to be too long for your email account.

We also have the States-Title Policy, When Texas bought the Property(Alazan Bayou) showing the acceptance of the Lancer Pipeline and Row. The Manager of the Alazan Bayou at the time of the Mustang Easement process had to know that the old Gulf Pipeline was now the Lancer Pipeline. "It was all public Record".

We are trying to set up some type of Mediation now with Westlake Chemical's Inc. On the continuing Trespass and Theft..... The Express H2o Pipeline LLC.(previously KrisJenn Ranch LLC Series Pipeline and Row) is just now coming out of Chapter 11 Bankruptcy after 4 years with a "Free and Clear" on the Pipeline and Row from the Courts. We have spent many Millions buying this Pipeline, being forced into Chapter 11 Bankruptcy and now continuing to try and develop the pipeline and row. There was active fluids flowing thru the Texas Eastern Pipeline up to 1992. It really is unbelievable that an easement was done with Mustang in 1996. Lancer was actively trying to make a huge deal to move gas during those years and actually had a deal with EOG in 2010. At no time was this Pipeline ever abandoned or mutually released by lancer or Express Pipeline in those early years of the Westlake/Mustang easements:1996,2007 and 2017. Taxes have been paid on this line every year since 1992.

Dennis, Would you be interested in attending the first mediation with Westlake that I'm trying to set up. As you are aware, Westlake is trying to blame the Texas Parks and Wildlife.

On the original email I copied: Lowell Sykes, Westlake Olefin Mgr., David Williams, Westlake Pipeline Mgr in Lufkin and Jake Greer, with Eastman who was Mustang's owner. I have attached my attorneys on this email.

Thank You,
Larry Wright

RIGHT-OF-WAY AGREEMENT

STATE OF TEXAS §
COUNTY OF ANGELINA §
COUNTY OF NACOGDOCHES §

KNOW ALL MEN BY THESE PRESENTS:

That, for and in consideration of TEN AND NO/100 (10.00) DOLLARS, and other good and valuable consideration in hand paid, the receipt and sufficiency of which is hereby acknowledged, the undersigned (hereinafter called Grantor), does hereby GRANT, SELL, and CONVEY to Mustang Pipeline Company, their successors and assigns (hereinafter called Grantee), a right-of-way and easement 50 feet in width to construct one pipeline, and to maintain, operate, repair, replace, and remove said pipeline for the transportation of refined liquefied petroleum gases across, under, and upon the lands of Grantor in the Counties of Angelina and Nacogdoches, State of Texas to wit:

That certain Tract or Parcel of land containing 248.888 acres, more or less, in the Barr & Davenport Survey, A-36, and more particularly described in a certain Warranty Deed from Winston Investments, Inc. to Winston Land & Cattle Company, Inc. dated July 20, 1977, and recorded in Volume 459 at page 567, Deed Records of Angelina County, Texas;

That certain Tract or Parcel of land containing 23.92 acres, more or less, in the Andrew Bermea Survey, A-10, and more particularly described in a certain Warranty Deed from Stephen G. Griffin, et ux, to Winston Land & Cattle Company, Inc. dated October 17, 1996, and recorded in Volume 1041, at page 273 of the Deed Records of Nacogdoches County, Texas;

That certain Tract or Parcel of land containing 3004.86 acres, more or less, in the A. Bermea Survey, A-10, and more particularly described in a certain Warranty Deed from Estate of Simon W. Henderson, Jr., et al, to Winston Land & Cattle Company, Inc. dated February 9, 1996 and recorded in Volume 968 at page 250, Deed Records of Nacogdoches County, Texas;

That certain Tract or Parcel of land containing 318.65 acres, more or less, in the A. Hotchkiss Survey, A-246, the Chas. Hotchkiss Survey, A-275, and the Ben Procella Survey, A-803 and being more particularly described in a Warranty Deed from Jeff B. Badders to Winston Land & Cattle Company, Inc. dated October 8, 1996, and recorded in Volume 1038 at page 161, Deed Records of Nacogdoches County, Texas;

That certain Tract or Parcel of land containing 7.048 acres, more or less, in the Chas Hotchkiss Survey, A-275, and being more particularly described in a Warranty Deed from John R. Winston, Jr. to Winston Land & Cattle Company, Inc. dated November 4, 1996 and recorded in Volume 1046 at page 133, Deed Records of Nacogdoches County, Texas.

See Exhibits "A-1", "A-2", "A-3", "A-4", "A-5" and "A-6" attached hereto and made a part hereof, showing Right-of-Way and temporary work space.

The terms and conditions of the Agreement are as follows:

1. It is further understood and agreed that the Grantee shall not construct any buildings or other apparatus above the ground other than test valves, vents and corrosion equipment. The surface shall be left clear of any obstruction that would interfere with cultivation of the land.

Exhibit B

VOL 1058 PAGE 302
VOL 1082 PAGE 856

2. The pipeline shall be buried no less than three (3) feet below the surface of the earth and not less than four (4) feet below the bottom of major drainage ditches and Grantee shall place permanent visible markers on all drainage ditch crossings, roads and fence crossings indicating the location of the pipelines at said crossing.

3. Grantee covenants and agrees to indemnify and forever hold harmless the Grantor, his heirs and assigns, against each and every claim, demand or cause of action that may be made or come against him by reason or in any way arising out of any defect, imperfection, operation, maintenance or construction of said pipelines.

4. Notwithstanding anything herein to the contrary, this right-of-way shall automatically terminate at any time Grantee, its successors or assigns, shall cease for as much as 12 months to use this right-of-way for the purposes provided herein, and Grantee, its heirs and assigns agrees to deliver to Grantor a written release of the right-of-way. Upon such termination, if the presence of said line or facilities interferes with Grantor's use of the property, Grantor shall so notify Grantee which shall remove the same and restore the premises insofar as practicable to the condition in which Grantee received them within one hundred eighty days after receipt of such notice. The failure of Grantee to comply with such request within the time authorized shall result in the forfeiture and Grantor shall be authorized to remove said facilities and line at Grantee's expense, sell the salvaged line and facilities and recover the remaining sums required for such removal, if any, from Grantee.

5. Grantee agrees to pay damages which may arise to crops, trees and fences, in the exercise of any of the rights herein granted to it, said damages, if not mutually agreed upon, to be ascertained and determined by three disinterested persons, who shall be licensed real estate appraisers, one thereof to be appointed by the said Grantor, one by the said Grantee, and the third by the two so appointed as aforesaid, and the written award of such three persons shall be final and conclusive.

6. Grantee will remove the topsoil from the pipeline trench and will segregate said topsoil from the subsoil excavated from the trench. After the pipeline has been installed, the topsoil shall be replaced to its original position relative to the subsoil. Grantee agrees to restore the surface drainage contour on the premises existing prior to installation of said pipeline.

7. The Grantee before cutting fences at each point where same are to be cut, will staunchly cross-brace the two panels, the one immediately on either side of the point of severance, so as to prevent unnecessary sag the remaining portion of such fence or fences. Grantee also agrees that such fences as have been cut will be closed at all times except when construction work underway necessitates an opening therein. Grantee shall place, after the completion of construction, metal gates at each end of the right of way herein granted, each not less than ten feet (10').

8. Employees, agents and contractor's of Grantee shall neither hunt, fish nor carry firearms on the right of way or on the property described above.

9. Grantee agrees promptly to repair all washouts and erosion caused in the exercise of its rights herein granted and to protect all areas in which the topsoil is distributed by the construction, operation, maintenance or repair of the pipeline, including reseeding.

10. Grantee shall clear and keep clear all trees, undergrowth and other obstructions from the herein granted Easement, and Grantor agrees not to build, construct, or create any buildings or other structures on the herein granted Easement that will interfere with the normal operation and maintenance of the pipeline.

11. Grantee agrees that all timber and other obstructions cleared from the right-of-way will be burned or hauled from the right-of-way and will not be placed on Grantor's adjacent lands.

12. Notwithstanding anything contained herein to the contrary, Grantee shall have access in and to the easement herein granted only upon said easement route and shall not have access across lands of the Grantors lying adjacent to the right of way herein granted, Grantee shall be liable for any and all damages caused thereto by itself, its agents, servants, employees, independent contractors and/or employees of independent contractors.

13. Grantee acquires this pipeline Easement and right-of way as a refined liquefied petroleum utility with the right of Eminent Domain empowering Grantee through the right of Condemnation to take this Easement and right-of way. RIGHT-OF-WAY AGREEMENT

Tract No. 4A-70

STATE OF TEXAS }
COUNTY OF Angelina }

For and in consideration of ten dollars and other valuable consideration Dollars (\$ 10.00) in hand paid the receipt and sufficiency of which is hereby acknowledged, the undersigned (hereinafter called GRANTOR, whether one or more), does hereby GRANT, BARGAIN, SELL and CONVEY to Mustang Pipeline Company, a Texas corporation, its successors and assigns (hereinafter called GRANTEE), a right-of-way and easement 50 feet in width along a route, (the location of the pipeline, as constructed, to evidence such route), to construct, maintain, operate, repair, alter, replace, change the size of and remove a pipeline and appurtenant facilities including, but not limited to, rectifiers, test leads and aerial markers, across, under and upon the lands of GRANTOR in the County of Angelina, State of Texas, to-wit:

That certain Tract or Parcel of land containing 120.686 acres, more or less, in the Barr & Davenport Survey, A-4, and being more particularly described in that certain Warranty Deed with Vendor's Lien from I.D. & Marguerite Farchild Educational, Religious, Charitable, & Civic Foundation to Marie Stephens, dated January 18, 1996, and recorded in Volume 1042, Page 75, of the Deed of Records of Angelina County, Texas.
Line location is approximately as shown on plat attached hereto and made a part hereof.

The GRANTOR represents that the above land (~~is or is not~~) rented to _____ whose address is _____, on a (~~cash or crop~~) basis.

The GRANTEE shall have all of the rights and benefits necessary or convenient for the full enjoyment or use of the rights herein granted, including, but not limited to, the free right of ingress and egress over and across said lands to and from said right-of-way and easement, the right to install locked gates in fences that cross said right-of-way and easement, and the right from time to time to cut all trees, undergrowth and other obstructions, that may injure, endanger or interfere with the use of said pipeline. GRANTEE may use such portion of the property along and adjacent to said right-of-way as may be reasonably necessary in connection with the construction, maintenance, repair, removal, or replacement of its facilities; provided GRANTEE shall be obligated to pay for all crop and land surface damages as set out below arising out of such use.

The GRANTEE agrees to bury the pipeline below normal plow depth and to pay for any physical damage to growing crops, timber, fences, or other structural improvements caused by construction, maintenance, operation, repairing, alteration, replacement or removal of said pipeline and appurtenant facilities. It is understood and agreed that the consideration herein paid does include payment of the initial, foreseeable construction damages within the right-of-way and additional temporary work space herein granted. GRANTOR herein agrees not to change the grade over such pipeline or permit any party other than GRANTEE to change such grade.

TO HAVE AND TO HOLD unto GRANTEE, it's successors and assigns, so long as the rights and easements herein granted, or any one of them shall be used by, or useful to, GRANTEE for the purposes herein granted, with ingress to and egress from the premises for the purpose of constructing, inspecting, repairing, maintaining, replacing and removing the property of GRANTEE.

This agreement shall be binding upon and shall be for the benefit of the heirs, successors, representatives and assigns of GRANTOR and GRANTEE, whether assigned, devised, or otherwise transferred in whole or in part by either of the parties hereto, and the agreements herein contained shall be covenants running with the land.

It is agreed that this grant covers all the agreements between the parties and that no representation or statements, verbal or written, have been made modifying, adding to, or changing the terms of this Agreement.

KNOW ALL MEN BY THESE PRESENTS, That, in consideration of *Sixty two x $\frac{00}{xx}$*
(\$ *62 $\frac{00}{xx}$*) Dollars,

this day paid to *Mrs W. E. Massingill, a widow*

by Gulf Pipe Line Company and Gulf Production Company, the receipt whereof is hereby acknowledged, *I* do hereby grant and convey unto the said companies, their successors and assigns, a right of way over the land hereinafter described, and the right to construct, maintain and operate thereon pipe lines for the conveyance or transportation of oil, gas, water, steam, or any other material or substance which can be conveyed through a pipeline, or any one, or more of said substances;

said right of way being through and upon that certain tract of land situated in *Angelina* County, State of Texas, and described as follows:

*as being 162 acres of land any of E
Gougeett Survey Angelina County
Texas*

The grantees herein shall have the right to select the route to be followed by said pipeline which shall be laid adjacent to and approximately parallel to the the line or lines already laid.

It is further agreed that the grantees shall have the right, and the same is hereby granted to such grantees, to lay as many additional lines of pipe on said right of way as they may desire, but shall pay to said grantor, *her* assigns, twenty-five (25c) cents per rod for each additional pipeline so laid; said consideration for additional lines to be paid within a reasonable time after the construction of each additional pipeline, and all additional pipelines shall be laid adjacent to and approximately parallel to the line or lines already laid.

The grantees herein, and their successors and assigns, shall have the right to do whatever may be requisite for the enjoyment of the rights herein granted, including the right of clearing said right of way of timber, and of ingress and egress to and from said tract of land, for the purpose of laying, maintaining, repairing, renewing, changing the size of, and restoring of said pipelines, and for the removal of same when desired by the grantees, their successors or assigns.

The above recited consideration is received in full satisfaction of every right hereby granted; but it is agreed that, within a reasonable time after the completion of said line or lines, the grantees obligates themselves to pay the grantor, all actual damages to crops, fences and timber caused by the construction of said line or lines, and thereafter to pay all actual damages to crops, timber and fences done by them to such; and any damage to any land of the grantor, caused by reason of the operation, repair or removal of said line or lines.

TO HAVE AND TO HOLD the said easement unto the said grantees, their successors and assigns, as long as the same shall be useful for the purposes of and desired by said grantees, their successors and assigns. And, by the acceptance hereof, said grantees covenant and agree with the grantor, that the pipelines shall be buried a sufficient depth so as not to interfere with the cultivation of the land in said right of way, so far as said right of way can be cultivated so as not to interfere with or impair the rights hereby granted.

It is understood and agreed that the person securing this right of way for said companies has no authority to make any agreement, covenant, or promise, in their behalf not herein specifically shown; and this instrument is delivered and accepted upon the distinct understanding that the consideration hereinabove stated is the sole consideration and inducement for the execution hereof.

GUY A. BLOUNT
TO
GULF PIPE LINE COMPANY ET AL

STATE OF TEXAS
COUNTY OF NACOGDOCHES

KNOW ALL MEN BY these presents, That, in consideration of FOUR HUNDRED TWENTY & 50/xx (\$420.50/) DOLLARS, this day paid to Guy A. Blount by Gulf Pipe Line Company and Gulf Production Company, the receipt whereof is hereby acknowledged, I do hereby grant and convey unto the said companies, their successors and assigns, a right of way over the land hereinafter described, and the right to construct, maintain and operate thereon pipe lines for the conveyance or transportation of oil, gas, water, steam, or any other material or substance which can be conveyed through a pipeline, or any one or more of said substances; said right of way being through and upon those certain tracts of land situated in Nacogdoches County, State of Texas, and described as follows:

As being various tracts of land out of H. H. Parrott, V. Michelli, A. Bernea, J. L. de la Bega and John Thorn surveys, Nacogdoches County, Texas.

The grantees herein shall have the right to select the route to be followed by said pipeline which shall be laid adjacent to and approximately parallel to the the line or lines already laid.

It is further agreed that the grantees shall have the right, and the same is hereby granted to such grantees, to lay as many additional lines of pipe on said right of way as they may desire, but shall pay to said grantor, or his assigns, twenty five (25c) cents per rod for each additional pipeline so laid; said consideration for additional lines to be paid within a reasonable time after the construction of each additional pipeline, and all additional pipelines shall be laid adjacent to and approximately parallel to the line or lines already laid.

The grantees herein, and their successors and assigns, shall have the right to do whatever may be requisite for the enjoyment of the rights herein granted, including the right of clearing said right of way of timber, and of ingress and egress to and from said tract of land, for the purpose of laying, maintaining, repairing, renewing, changing the size of, and restoring of said pipelines, and for the removal of same when desired by the grantees, their successors or assigns.

The above recited consideration is received in full satisfaction of every right hereby granted; but it is agreed that, within a reasonable time after the completion of said line or lines, the grantees obligates themselves to pay the grantor all actual damages to crops, fences and timber caused by the construction of said line or lines, and thereafter to pay all actual damages to crops, timber and fences done by them to such; and any damage to any land of the grantor caused by reason of the operation, repair or removal of said line or lines.

TO HAVE AND TO HOLD the said easement unto the said grantees, their successors and assigns, as long as the same shall be useful for the purposes of and desired by said grantees, their successors and assigns. And, by the acceptance hereof, said grantees covenant and agree with the grantor that the pipelines shall be buried a sufficient depth so as not to interfere with the cultivation of the land in said right of way, so far as said right of way can be cultivated so as not to interfere with or impair the rights hereby granted.

It is understood and agreed that the person securing this right of way for said companies has no authority to make any agreement, covenant, or promise, in their behalf not herein specifically shown; and this instrument is delivered and accepted upon the distinct understanding, that the consideration hereinabove stated is the sole consideration and in-
